Description: Everyone knows sudoku is enjoyable—but these addictive puzzles come in endless variations too! They range from simple to very difficult, and can take almost no time to finish...or require many hours. This entertaining collection showcases a wide range of possibilities, offering solvers who have become accustomed to the standard rules and grids an exciting...

Review: So this is a real brain buster. I started one of the puzzles and still haven't finished it. It is a good challenge, though I'm not thrilled about the math ones. I regularly do difficult sudoku, so thought I could handle these, but wow some are tricky! I imagine a normal person would find which sections they enjoyed and skip the rest....
